

Oakland Strokes Financial Aid Application

STEP 1: Register at OaklandStrokes.org (click “Join the Team”) with scholarship coupon code.

All rowers MUST register before they go out on the water. All rowers must register online. At “checkout,” insert the coupon code “Scholarship App” and your fee will be reduced fee to \$5 (that’s the scholarship application fee; you will receive instructions by email on how to pay your balance – if any – after your application’s been processed).

STEP 2: Complete this form, sign it and attach two documents:

- A statement of need. Written by a parent or guardian, this is your opportunity to tell the scholarship committee anything you’d like them to know about your situation. Please mention whether your financial situation has changed since your latest federal tax return was filed.
- A copy of the first few pages of your most recent federal income tax return showing your taxable income. If parents or guardians filed separately, please include both returns.

STEP 3: Email your application documents to oaklandscholarship@gmail.com OR mail to:

Oakland Strokes Scholarship Committee
4096 Piedmont Ave
PMB 308
Piedmont, CA 94611

(Please don’t send other communications or registration material to this address.)

*The **OAKLAND STROKES** seeks to ensure that no young man or young woman is deprived of the opportunity to row and compete for want of financial means. The information you provide on this application is confidential and will be reviewed only by our board’s Scholarship Committee. The committee grants aid based on financial need, positive attitude and volunteer participation. All grants are subject to certification by a coach that the rower had good attendance and a positive attitude the prior semester (waived for new novice rowers). All grants must be renewed each semester.*
